REACHING OUT TO OTHERS IN JUSTICE AND LOVE

Dear Parents,

The following is a list of requirements of the basic materials that your child will require at the beginning of 2018.

It is essential that all of these items are CLEARLY MARKED with your child's name.

We do ask that these items come to school with your child on the first day of classes next year and that you ensure that items on this list are replenished as they are used up/finished. This applies especially to items such as glue and pencils.

Thank you for your cooperation with this matter. We are keen to ensure that your child has the requirements to take greater responsibility for their learning experiences and make the most of learning opportunities.
